Track your order from
quarry to delivery.

FAQ's

Q. How competitive is your pricing compared to local suppliers?

We supply direct from quarry with no middlemen, allowing us to offer highly competitive pricing and better margins.

Q. Do I need to order in bulk or containers?

No. We have no minimum order quantity, so you can start small and scale based on your project needs.

Q. Can I verify the quality before placing an order?

Yes. We provide free samples and can share batch photos for approval before shipment.

Q. Can you customize sizes and finishes for my project?

Absolutely. We offer custom sizes, finishes, and edge profiles tailored to your exact requirements.

Q. How do you handle delivery and timelines?

We manage the entire process from production to delivery, with a typical lead time of 4–8 weeks, delivered to your warehouse or job site.
